ORDER

LEWIS A. KAPLAN, *District Judge*.

By order dated May 8, 2007, the Court noted that the notice of removal failed adequately to allege the citizenship of one or more natural persons and stated that the action would be remanded absent the filing, on or before May 18, 2007, of an amended notice of removal adequately alleging the existence of subject matter jurisdiction. Defendant filed an amended notice of removal, but it does not allege the citizenship of any of the individual parties. Accordingly, the action is remanded to the New York Supreme Court, Bronx County.

SO ORDERED.

Dated: June 19, 2007
